

# LED DOWNLIGHT

## LVA/94CL

Luvia Lighting Concepts new design anti-glare CL94 led downlight adopts Citizen COB chip collocating with deep reflection cup. This unique design skillfully prevent the human eyes contact with the light sources directly, makes the light more soft, UGR<19. Meanwhile the light efficiency reach to 90lm/w with perfect accent lighting performance.

That makes it become the priority selected product for commercial lighting. V shape cooling fins heat sink design increases the interface between heat sink and air, which makes the heat dissipating performance outstanding and extend the service life of the downlight.

Application: Suitable for commercial and residential applications like office, supermarket, shop, school, hotel, restaurant, workshop, warehouse, home etc.
